## KNOW YOUR RIGHTS

It is against the law for the landlord to evict a tenant without a court order. A landlord cannot change the locks to evict a tenant, if a landlord does this **CALL THE POLICE**. Also, you may break into the apartment to recover your possessions

IF YOU ARE ILLEGALLY LOCKED OUT by the landlord before the Sheriff/Marshall/Constable has come to evict you. If you do this, you should notify the police first and be prepared to show them the proof that this is your current address.
